And that the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the Affiant, Detective Garrie Dorman, is a sworn member of the Bristol Police Department currently assigned to the Criminal Investigation Division with over 18 years experience as a Police Officer. That the Co-Affiant, Detective Peter Dauphinais, is a sworn member of the Bristol Police Department currently assigned to the Criminal Investigation Division with over 19 years experience as a Police Officer. The information contained within this affidavit was provided to the Affiants by sworn Police Officers from the Commonwealth of Massachusetts and from the Connecticut Department of Corrections, who have personal knowledge of the facts and circumstances related below as a result of their own investigative efforts and those of other police officers who have reported their findings to them.
2. That on July 16, 2012 at approximately 0232 hours, Boston, Massachusetts Police responded to the intersection of Shawmut Avenue and Herald Street in the City of Boston on report that multiple people had been shot at that location. Responding officers observed a 2003 gray BMW 325XI with Massachusetts Registration 453-RP3, VIN- WBAEU33453PM52349 registered to Neusa Abreu of 4 Wendover Street, Dorchester, MA located at the intersection of Shawmut Avenue and Herald Street with the engine running. Located inside the vehicle was a black male seated in the driver's seat suffering from a gunshot wound to the chest. This victim was later identified as Daniel Abreu, DOB: 08/25/82. Also located in the vehicle was another black male seated in the front passenger seat suffering from a gunshot wound to the head. This victim was later identified as Safiro Teixeira Furtado, DOB: 11/10/83. Both victims were pronounced deceased on scene by Boston Health and Hospitals Emergency Medical Personnel. A third shooting victim, identified as Aquilino Freire, DOB: 11/24/86, was located at the scene and suffering from a non-life threatening gunshot wound to each arm. Mr. Freire was transported by emergency personnel to Tufts Medical Center for treatment.
3. That Detective MacIsaac of the Boston Police Department initially responded to Tufts Medical Center to interview Aquilino Freire. Mr. Freire stated that on Sunday night, July 15, he and his friends went to Cure, a night club located at 246 Tremont Street in Boston, MA. He stated that they went to the club in the BMW 325XI. When asked to describe the shooting as it occurred, Mr. Friere stated that he was sitting in the rear middle of the car, with Gerson Lopes to his left and Raychides Sanches to his right. He stated that Daniel Abreu was driving and the front seat passenger was Safiro Furtado. Mr. Freire stated that just prior to the shooting, they were stopped at the light at the intersection of Shawmut Avenue and another street (determined to be Herald Street), waiting to take a left to go home, when a car he described as an SUV pulled up along the right side at the intersection. Mr. Freire stated that he glanced over at the SUV and saw a driver and a rear passenger in the vehicle. Mr. Freire stated that he saw the rear passenger laughing and did not pay much attention to the vehicle. Mr. Freire stated that suddenly, several shots were fired from the rear passenger area of the SUV into the car he and his friends were in. After the shooting stopped, Mr. Freire got out of the vehicle and attempted to talk to the front seat passenger (Safiro Furtado), but he received no response. According to Mr. Freire, the two remaining

rear seat passengers, Raychides Sanches and Gerson Lopes, ran from the area. Mr. Freire stated that he was extremely upset and walked around attempting to stop other vehicles to get help. Upon responding to the scene, Detective MacIsaac observed the two bodies of the victims seated in the BMW with sheets draped over their bodies. The two rear doors of the vehicle were open and the left rear passenger door window was shattered, with glass on the street. The right rear passenger door window was in the down position. The front passenger door window was also in the down position. The keys to the vehicle were on the windshield by the left windshield wiper. Detective MacIsaac observed reddish brown stains on the right rear quarter panel of the vehicle and a trail of reddish brown stains on the street leading away and around the vehicle. The Boston Police Crime Scene Response Unit responded to the scene, photographed the vehicle and the scene, and took swabs of the reddish brown stains that were located on the street. The BMW 325XI Massachusetts Registration 453-RP3 containing the victims' bodies was towed to Boston Police Headquarters and secured in the motor vehicle bay pending the issuance of a search warrant.

4. That on July 16, 2012, Sergeant Detective Marc Sullivan and Detective MacIsaac executed an un-numbered Boston Municipal Court search warrant on Massachusetts Registration 453-RP3 the BMW 325 XI at Boston Police Headquarters. The two deceased victims were removed from the vehicle and transported to the Office of the Chief Medical Examiner for autopsies. That on July 17, 2012, the two deceased victims were identified as Daniel Abreu DOB: 08/25/82 and Safiro Furtado DOB: 10/11/83. Doctor Katherine Lindstrom of the Medical Examiner's office performed autopsies on the victims and determined that the cause of death was gunshot wounds and the manner of death to be homicide. An analysis of ballistics evidence recovered suggests that one unrecovered revolver capable of firing .38 caliber or .357 caliber bullets was used.

5. That on July 19, 2012, Donald Gobin DOB: 07/15/63, responded to the Boston Police Homicide Unit for an interview. Mr. Gobin stated that he was working at a nearby club on the night of July 15 into July 16, 2012. Mr. Gobin was on his way home to Rhode Island driving with his co-worker Brian Quon. Mr. Gobin stopped at the red light at Shawmut Avenue and Marginal Street, when a vehicle pulled up next to them on the right. Mr. Gobin describes this vehicle as either a silver Nissan Pathfinder or a silver Toyota 4-Runner. Mr. Gobin described the driver of the vehicle as a light skinned Hispanic male with short dark hair. Mr. Gobin stated that the SUV ran the red light on Shawmut Avenue, which drew his attention. Mr. Gobin looked at the plate of the vehicle and noticed that the SUV had Rhode Island plates. Mr. Gobin is from Rhode Island and the plates were familiar to him. Mr. Gobin observed this SUV pull up to the next intersection at Shawmut Avenue and Herald Street to the right of a BMW. Mr. Gobin heard six gunshots in rapid succession coming from the SUV over a span of eight to ten seconds. The SUV then pulled away rapidly, taking a left onto Herald Street. Mr. Gobin pulled up to the BMW and saw glass on the street and observed two males get out of the back of the car onto the street and checked themselves for injuries. One of the males was yelling for help, and Mr. Gobin saw what he believed to be blood on the BMW and two additional males in the front seats not moving. Mr. Gobin called 911 and continued on his

way home.

6. That on July 19, 2012, Brian Quon, DOB: 08/14/63, responded to the Boston Police Homicide Unit for an interview. Mr. Quon was working at the same bar as Mr. Gobin the night of July 15 into July 16, 2012. Mr. Quon stated that he was on his way home to Rhode Island with his co-worker Donald Gobin, who was driving. They stopped at a red light at Marginal Street and Shawmut Avenue. While stopped at the light, Mr. Quon observed a gray SUV that he thought was a Nissan Pathfinder stopped next to them at the red light. Mr. Quon described the driver of the SUV as a black male or dark skinned Hispanic male with short hair. The passenger had braids that may have had beads and Mr. Quon was unsure if that person was a male or female. Mr. Quon stated that this SUV ran the red light and went straight on Shawmut Avenue. About ten seconds went by and Mr. Quon heard six rapid gun shots. Mr. Quon looked up and saw the SUV turning left onto Herald Street. Mr. Quon stated that Mr. Gobin pulled up to the BMW and Mr. Quon saw two guys on the street checking themselves, and broken glass on the street. As they got closer Mr. Quon could see two additional males in the front seats who appeared to be shot. Mr. Quon stated that Mr. Gobin called 911 and then they went home to Rhode Island.

7. That a video canvas was done of the surrounding area of Tremont Street. Video footage was recovered from the Cure night club located at 246 Tremont Street, Boston, MA, the Tufts Medical Center, and garage located at 274 Tremont Street, Boston, MA, and other locations that recorded digital images in relevant areas. A review of the video footage allowed detectives to track the victims' movements to and from Cure and captured them leaving the parking garage just prior to the shooting. However, there was no video footage that captured the shooting. Attempts to positively identify the suspect vehicle were also unsuccessful.

8. That Boston Police requested assistance from the public in locating a light colored SUV with Rhode Island plates. Detectives also investigated various motor vehicles listed in the Rhode Island Registry of Motor Vehicles that generally fit the description of the suspect car. None of these efforts were successful in identifying the suspect vehicle or the perpetrator(s). The initial investigation also did not reveal any clear motive for the shooting. On or about June 19, 2013, Boston Police Homicide Detectives assigned to this investigation became aware, through news accounts, of a homicide investigation in North Attleboro involving New England Patriots professional football player Aaron Hernandez as a possible suspect. Specifically, media accounts detailed the shooting murder of 27 year-old Odin Lloyd, a resident of Dorchester, whose body was discovered in an industrial area near the home of Hernandez. At this time, detectives recalled that in previously viewing the video footage from Club Cure on the morning of July 16, 2012, an individual clearly recognizable as Aaron Hernandez is observed entering the club at approximately the same time as the victims. It should be noted that Aaron Hernandez is a 23 year-old white Hispanic male with short dark hair and was clearly recognizable to Detective MacIsaac.

9. That with this information, Boston Police Detectives contacted Massachusetts State Police Detectives assigned to the Lloyd homicide investigation to determine if there could be a connection between the two incidents. Massachusetts State Police Detectives later advised Detectives investigating the Abreu/Furtado homicide that on June 22, 2013, an anonymous caller contacted North Attleboro Police stating that he had knowledge that the two incidents (the Lloyd homicide and the July 16, 2012 Abreu/Furtado homicide) were related. The anonymous caller was later identified as Sharif Hashem, a security supervisor at Rumor night club in Boston. The phone call with this tip was recorded and provided to Detective MacIsaac. In the recording (recorded on June 22, 2013, at approximately 16:27 hours), Hashem stated that he wanted to provide information about a double murder in Boston. Hashem stated that on July 16, 2012, at about 2:30 in the morning, there was a double murder in the South End near the turnpike between areas A-1 and D-4. Hashem stated that an SUV with Rhode Island plates was involved and that this murder is related to the ongoing homicide investigation in North Attleboro. When asked by the dispatcher if he had information that the "person of interest" in the North Attleboro homicide was also involved in the South End double homicide, Hashem responded in the affirmative. Hashem was asked by the dispatcher how he knew this information and Hashem replied "someone accidentally spilled the beans in front of me." The level of detail provided by Hashem about the date, time, and location of the double homicide, along with the Rhode Island license plates, strongly suggested that Hashem had specific knowledge of the incident. The North Attleboro incident Hashem was referring to is clearly the murder investigation of Odin Lloyd, in which Aaron Hernandez is a suspect. Hashem was interviewed by Boston Police Detectives, and he stated that he learned the information he provided in the phone call to the North Attleboro Police from a patron of Rumor night club who he only knew as either "B" or "G".

10. That as a result of this information, a detailed analysis of the video surveillance was undertaken, with specific attention to the movements of Aaron Hernandez ("Hernandez") on the morning of July 16, 2012. Video surveillance from the Tufts parking garage shows Hernandez arrive at 12:04 A.M., driving a silver 2006 Toyota 4Runner, with a clearly visible license plate, 635035. The license plate is white with blue lettering, consistent with a Rhode Island plate.

11. That Hernandez is next observed with an unknown light-skinned Hispanic male in front of Cure at approximately 12:30 A.M. Hernandez entered the club immediately after the victims (Furtado, Abreu, Sanches, Freire, Lopes). Hernandez and the same unknown Hispanic male went downstairs in the club where cameras did not record, and left approximately 10 minutes later, with Hernandez quickly consuming two drinks before exiting. Hernandez is observed in color video surveillance footage to be wearing a gray baseball hat with a red/orange brim and a red design on the front, a gray t-shirt with a red, green and white design on the front, a pair of gray and white sneakers, a beaded necklace, and a set of rosary beads with a cross and a round medallion. Both necklaces appeared to be black or dark colored.

12. That Hernandez and the unknown Hispanic male are next observed on video crossing Tremont Street. At 1:05 A.M., Hernandez and the unknown Hispanic male are seen on video coming back across Tremont Street towards the parking garage. They enter the garage at 1:07 AM. Hernandez and the unknown Hispanic male are next observed leaving the garage in the same silver Toyota 4 Runner at 1:17:21 AM.. Aaron Hernandez is observed driving this vehicle and the unknown Hispanic male is observed in the front passenger seat.

13. That the victims in this incident are observed on the Cure Night Club surveillance footage leaving the club at 2:10:27. The victims walk to the garage at 274 Tremont Street (the same garage where Hernandez and the unknown Hispanic male were seen exiting). On the Tufts garage surveillance footage, the victims can also be seen walking on Tremont Street towards the garage. The footage shows that as the victims are walking on the sidewalk of Tremont Street, what appears to be a silver Toyota 4 Runner (consistent with the vehicle Hernandez was operating) can be seen traveling in the left hand lane closest to the sidewalk, going by the victims at 2:17:56 AM. The Toyota 4 Runner can be seen traveling on Tremont Street, and taking a right hand turn onto Tremont Street at Shawmut Avenue. Gerson Lopes and Raychides Sanchez are observed on video waiting on the sidewalk outside the garage when what appears to be the same silver Toyota 4 Runner is observed again traveling on Tremont Street in the middle lane at 2:20:59 AM, passing Mr. Lopes and Mr. Sanchez at a slow rate of speed. Other traffic is passing the Toyota 4 Runner due to its decreased speed. The Toyota 4 Runner appears to take the same right hand turn onto Tremont Street at Shawmut Avenue, as if looping the block.

14. That this silver Toyota 4 Runner is also captured on the Cure night club video which points out onto Tremont Street at Stuart Street. The Toyota 4 Runner is observed coming off Stuart Street taking a right hand turn onto Tremont Street. The two loops around the block by the Toyota 4 Runner near club Cure and the parking garage are captured on two separate video surveillance systems. The silver Toyota 4 Runner with Rhode Island Registration 635035, in which Hernandez was observed operating in the area of the homicides on July 16, 2012, was run in the RMV database by Detectives. This vehicle is registered to Jana Leasing and Rental Corporation, of 415 Taunton Avenue, E. Providence RI 02914. This vehicle is a 2006 Toyota 4 Runner VIN-JTEBU17R768052996, silver in color. On June 26, 2013, Sergeant Detective Marc Sullivan and Detective Joshua Cummings responded to Jana Leasing and Rental Corporation at 415 Taunton Avenue in E. Providence RI, d/b/a Fox Toyota, to locate and photograph the Toyota 4 Runner, and to gather any rental information for the vehicle in and around the time of the homicides on July 16, 2012. Upon their arrival they spoke with Kevin Walton, the General Manager of Fox Toyota. Walton stated that the Toyota 4 Runner in question is a demo model and was given to Aaron Hernandez in 2012 for him to use in exchange for doing promotions for the company. Mr. Walton stated that they have contacted Aaron Hernandez' agent to get the Toyota 4 Runner back. Mr. Walton stated they have not heard back and they are unaware of the vehicle's present location. This information was later confirmed by Mr. Jack Fox, the owner of Fox Toyota. Mr. Fox informed Detectives that he last saw the vehicle in question with Hernandez in May of 2012, but had not seen the vehicle since that time.

Additionally, he indicated that the vehicle had not been brought in for routine servicing and maintenance since May 2012.

15.) That Detective MacIsaac was advised that on June 26, 2013, Massachusetts State Trooper Jeremiah Donovan, assigned to the Massachusetts State Police Detective Unit of the Bristol County District Attorney's Office assisted in the execution of a search warrant at 114 Lake Avenue in Bristol, Connecticut, a residence linked to Hernandez. During this search, the silver Toyota 4 Runner with Rhode Island plates 635035 was located in the locked garage at this residence. A resident of 114 Lake Avenue, Jennifer Valderrama, stated that the vehicle belongs to Aaron Hernandez and it was given to him when he signed for a promotions deal. She additionally stated that Hernandez left the vehicle there about a year ago. When asked if anyone drives the vehicle, Ms. Valderrama stated no. Trooper Donovan stated that a key for the vehicle was produced by a male occupant of that house from a coat pocket in a clothes storage area in the basement. Trooper Donovan stated that the Toyota 4 Runner has a layer of dust and cob webs on it. Trooper Donovan also stated that the battery was dead. Trooper Donovan informed Detective MacIsaac that there is a bag of clothing in an upstairs bedroom with Aaron Hernandez' name on the bag.

16. That on June 28, 2013 a Search and Seizure warrant was obtained authorizing Detectives to search 114 Lake Avenue, Bristol, Connecticut for the silver Toyota 4Runner bearing Rhode Island License plates 635035. The warrant was executed by Detectives from the Bristol Police Department and the Boston Police Department. The vehicle was located in the garage of 114 Lake Avenue, and was seized and turned over to Boston Police Detectives.

17. That police in Massachusetts provided Bristol Police Detectives with a still photograph from the Tufts Medical Center Parking Garage that showed Aaron Hernandez walking with the unknown male on the night this incident took place. Both Affiants looked at the photograph and positively identified the unknown male as Alexander "Sherrod" Bradley, date of birth 6/30/1982. Both Affiants were familiar with Alexander "Sherrod" Bradley from a previous Bristol Police investigation (Bristol Police case number 11-12952), and compared a Bristol Police booking photograph with the photograph provided to them by the police in Massachusetts in making their positive identification of Bradley. Alexander Bradley is currently incarcerated at the Hartford Correctional Center in Hartford, Connecticut, and is identified by the Connecticut Department of Correction as inmate number 338750. As part of their policies and procedures, the Connecticut Department of Corrections records all inmate phone calls made from Connecticut Corrections Facilities, and all phone calls are subject to monitoring. The Connecticut Department of Corrections ensures that all inmates are aware of this policy by utilizing the "7 Layers of Inmate Notice for Recording and Listening to Inmate Use telephones". These 7 layers are as follows: 1. The inmate is verbally notified of the policy and signs a "Notification and Acknowledgment for Inmates regarding Mail and Telephone Usage" form. Alexander Bradley signed this form. 2. All inmates receive

an inmate handbook which outlines the rules and regulations that govern inmate use telephones. 3. A sign in English and Spanish is posted at every telephone location which reads "Any conversation utilizing these telephones shall be subject to monitoring and recording". 4. After an inmate enters his 10 digit PIN number, an automated operator announces to both the inmate caller and the called party that the call is coming from a Connecticut Correctional Institution and the call, including the number called, is subject to monitoring and recording. 5. An automated tone warning device automatically produces a distinct signal that is repeated at intervals of approximately every 15 seconds throughout the duration of the call. 6. At random times during the completed call, an automated operator announces to both the inmate caller and the called party that the call is coming from a Connecticut Correctional Facility and the call is being recorded. 7. Call Termination. Both parties have the option to terminate the call at any time. Prior to accepting a collect call, the called party may hang up or press the number 6 to block the call.

18. That on October 3, 2013, Officer Papoosh of the Connecticut Department of Corrections Security Division began a routine monitoring of phone calls made by inmate Alexander Bradley from the inmate use telephones at the Hartford Correctional Center. On October 5, 2013 Officer Papoosh contacted Detective Dorman of the Bristol Police Department and advised him that in his opinion, Alexander Bradley was discussing details of the Boston homicide investigation with individuals he called utilizing the inmate use telephones at Hartford Correctional Center. Officer Papoosh advised Detective Dorman that he could provide full recordings of these phone calls if a Search and Seizure Warrant were issued authorizing him to do so. Detective Dorman advised Boston Police Detective MacIsaac of the existence of these phone calls and their content, and Detective MacIsaac requested that recordings of the phone calls be obtained for use in his homicide investigation. That Officer Papoosh stated that between the dates of October 3, 2013 and October 15, 2013, Alexander Bradley has made 13 phone calls from the inmate use telephones at the Hartford Correctional Center. The dates and times of the phone calls are as follows: October 4, 2013 at 2003 hours, October 5, 2013 at 0908 hours, October 5, 2013 at 1418 hours, October 6, 2013 at 0902 hours, October 6, 2013 at 0919 hours, October 6, 2013 at 0936 hours, October 7, 2013 at 1000 hours, October 9, 2013 at 1034 hours, October 9, 2013 at 1038 hours, October 9, 2013 at 1054 hours, October 10, 2013 at 1038 hours, October 12, 2013 at 1838 hours, October 15, 2013 at 0947 hours.

19. That based on the above related facts and circumstances, the Affiants have probable cause to believe that recordings of phone calls made from the Hartford Correctional Center inmate use phone system by inmate Alexander Bradley, inmate number 338750, on October 4, 2013 at 2003 hours, October 5, 2013 at 0908 hours, October 5, 2013 at 1418 hours, October 6, 2013 at 0902 hours, October 6, 2013 at 0919 hours, October 6, 2013 at 0936 hours, October 7, 2013 at 1000 hours, October 9, 2013 at 1034 hours, October 9, 2013 at 1038 hours, October 9, 2013 at 1054 hours, October 10, 2013 at 1038 hours, October 12, 2013 at 1838 hours, October 15, 2013 at 0947 hours, contain information that will aid in the investigation of the homicide that occurred in Boston, Massachusetts on July 16, 2012.
