My name is Levi Aron, reside at [REDACTED]

on Monday evening around 5:30P I went to my dentist Dr. Sorcher to make
A Payment for visit for exam routine. A Boy Approached me on where the
Judaica Book Store WAS, he WAS still there when went out from the dentist's
office. he asked me for a ride to the Judaica Book Store, while on
the way, he changed his mind and ^{wasn't sure} where he wanted to go.
So I asked if he wanted to go for the ride ^{since I didn't think I WAS going}
to stay for the whole thing ^{since my back was hurting} he said OK. Due to traffic I got back around
11:30P. And my back WAS hurting from ~~earlier~~ that day. so I brought him
To my house, thinking I'd bring him to his house the next day. He watched
TV, then fell asleep in the front room. I went to the middle room to sleep
That next mornig he WAS still sleeping when I was ready to Leave.
So I wake him and told him, I'll Bring him to his house when I get
back. Afterwards, ^{around} the end of the day when I saw the flyers, I ~~panicked~~
And WAS affraid. When I got home he WAS still there. so I made him
a Tuna sandwich. I WAS still in panic from the Flyers and Affraid to
bring him home (his house). That is when approximately I went for a towel
to smother him ^{on the side room} at he fought back a little bit untill eventually he stopped
Breathing. ~~Afterwards~~ Afterwards, I ~~panicked~~ panicked because I didn't know what to do with
the body. After ABOUT 15-20 minutes, I carried the body to the front room,
To start ~~by~~ by placing him on the red mattress, where I cut ^{one} Leg at the
Hip. Then carried the two parts to the BACK room ~~then~~ placing
the two parts between freezer and refrigerator, then placing PLASTICS covering
Floor and TABLE, WAS having trouble the Leg to fit in the ~~bag~~ Bag,
so I had to cut at Bottom. Then separating the other Leg in same PLACES.
I placed the parts in freezer, then Showered. Went to clean up a little
Then took a second Shower. I ~~panicked~~ panicked and Looked for something to
TRANSPORT the PARTS. Then putting the Parts in a suitcase.
Then carrying SUITCASE to the car, then left. placing suitcase in BACKseat
on floor behind PASSENGER side, then pulled out, drove around
APPROXIMATELY Around 20 minutes. Before placing in DUMPSTER on
20 ST Just Before 4th Ave. Then went home. To clean and organize.
I understand this maybe wrong and I'm sorry for hurt that I've caused.

Summary of Investigation:

On July 13, 2011, at approximately 1500hrs along with Det. Fehrenbach, RMP# 760 (movement log page # 201), I responded to the 67 Squad to debrief the subject Levi Aron on possible past crimes that involved children of sexual or physical abuse. In sum and substance the results of the conversation was as follows:

Mr. Aron acknowledged it was his Birthday and he is a practicing Orthodox Jew, eats Kosher food, attends services on Shabbos and that his parents are also highly Orthodox. He said he loved Karaoke and had a dream to be a singer/entertainer either on American Idol or comparable contests. He noted that when he lived in Memphis he frequented a place called Memphis sports pub for their Karaoke contests and proceeded to explain that he has his performances on singonap.com/Levia, page #3 (review of the page revealed the site had closed his account). He relayed that he liked helping people and was currently helping out his best friend David Barsky, by keeping Barsky's DJ equipment in a U-haul on 4th Ave and 6th Street - storage room # 6566. He was very concerned that Barsky would not get his property back and Aron would be held responsible. Additionally, Aron mentioned that he has a Gray Van 1993 Voyager (registered to him) Tennessee plates 331 FQH and the muffler and brakes need repair. Also, he said that the Van had to be moved on Friday afternoons so it would not be summonsed and he is waiting for Barsky to be released from Riker's Island as he has allowed Barsky to borrow the van for his professional use Barsky NYSID# 04637027Y, Arrest# K11632504 Arrest date 4/7/11 VT1. MV no license dob 5/22/59 m/w/52. Aron then delineated his childhood, father, mother's passing in 2004 and his father's now wife (step mother). He said he got divorced but remained very good friends with his ex wife. Lastly, he was reminded of possible past crimes against children relating to physical or sexual abuse that he may have knowledge of, and he said that he recalled an incident when he was about 18 years old during the summer months. He said he was riding the subway (F-train) from Bleeker Street and a Jewish male in his late 20's or early 30's (unknown to him) approached him and began rubbing and feeling on him and he moved to the opposite side of the train. He said "but I never did that to a child because I don't owe that way." The subject stated that he wanted to say more but he was unsure what to say. He thanked us for talking to him and at approximately 2150hrs the interview ceased.

I asked him , If he had ever seen the child on the photograph, after staring at Patrick photograph for a few minute,POI Levi Aron stated he had never seen the boy on the photo.

POI Levi Aron, was also asked if he knew anyone that may have information regarding the whereabouts of Patrick. At this time POI Levi Aron reply , I have never seen this child, I wish I knew what happen to him I would tell you.
